

RESTA HITS THE DIRT DIGGING FOR DOLLARS AS BARNSTORMER

Leading Driver Hot After Money Turns Successes Into Coin of Realm—Gets \$25,000 for Five Weeks' Contract—Resta at Present Leads Rickenbacher By Large Margin—Will Race Against Catherine Stinson's Aeroplane in Canada

By W. D. EDENBURN

(Michigan A. A. Representative) Money has turned Dario Resta into a "barnstormer." For the sum of \$25,000 the famous English-Italian signed a five weeks' contract recently to put on exhibitions through Canada and the Northwest, driving his Peugeot against Catherine Stinson's aeroplane.

Resta signed the document with Bill Fickens, "international exploiter," and Billy Wellman, former manager of Madison Square Garden and at one time advance man for the late Bob Burman. Fickens is one of the best known and expert press agents in America. Fickens' name is synonymous with speed in the days when dirt track "hypotheses" were the fashion.

Two years ago Fickens handled the exhibition tour in which Oldfield drove his front driver Christie and the famous Fiat Cyclone against the late L. A. Beachey's aeroplane. The average in the Resta sketch has been the Coupe motor in her plane that Beachey used on this trip.

Dodged Them Before
Previous to this time Resta has dodged every course that smacked of dirt except the Sioux City speedway where he drove but seven laps and was forced out of the race. True, his first two contests in American speed events were the Grand Prize and Vanderbilt road race cups, but these were completed for over the streets of the San Francisco exposition. Mrs. Resta, sister of the late Spencer Wishart, does not want Resta to "hit the dirt," but it seems that the lure of the bank roll has caused the famous driver to disregard her wishes. However, exhibition work will not entail the risks of competition on mile and half-mile ovals.

By defeating De Palma last Sunday in the three heats of their match race at Chicago, Resta boosted his stock as a "barnstormer" and it would not be surprising if Bill Fickens was not the real promoter of the Chicago speedway match race between the two Italians that resulted in Dario's sweeping victory.

Resta's Lead Large
Resta can afford to drop out of a few of the championship contests now as he has a comfortable lead. The standing in the A. A. championship, which carries cash awards totaling \$13,500 and also trophies, not including the Des Moines event of yesterday, follows:

Driver	Points
1-Dario Resta	1800
2-E. V. Rickenbacher	600
3-W. D'Alene	510
4-Ralph De Palma	470
5-J. Christaens	370

RAILROAD TO BAGDAD EXTENDED
BERLIN, June 23.—Eighteen hundred two kilometers (about 1100 miles) of the total stretch of 2435 kilometers (about 1500 miles) of the Bagdad Railway have been completed.

Inasmuch as the remaining 400 miles are not to be completed in any event until after the end of the war, the work on the railroad has temporarily reached an end.

The uncompleted sections lie between Haidar-Pascha (Constantinople) and Aleppo where the 42-kilometers between Dorak and Kara Bunn are yet to be built, and the stretch between Ras-el-Tin and Samarra, north of Bagdad.

Sixty-eight thousand horses have been ordered by the War Department.

6,000 miles GUARANTEED

besides your safety guarantee not to skid on wet or greasy pavements and immunity from all deteriorating effects of oil and grease. These guarantees are found only in the famous

VACUUM CUP TIRES

You pay for the Quality—the safety costs you nothing : : :

The huge, massive cups built on a heavy tread form a double thickness of tread which serves as a protection against punctures and stone bruises.

EBONY TREAD

Black, Ribbed Tires are guaranteed 5000 miles and immune from all effects of oil or grease. The same high-grade fabric is used as in Vacuum Cup Tires.

Every Comfort Utility and Economy

This light, economical, powerful Overland gives you pride of possession you can have in no other light car. At the same time it gives the riding comfort found in much heavier and more expensive cars.

Rear springs of the famous cantilever type absorb road shocks more completely than any other type.

Seats are deep and soft and are built up over long, spiral springs. They are broad and comfortable—ample in their roominess for five passengers.

Besides being light and economical, this car is easy to mahage. It has electric lights and engine starter—and is complete in every detail of equipment—no extras to buy. Electric control switches are placed on the steering column—right at your hand.

It doesn't cost much to buy or maintain, but it satisfies completely your desire for comfort and utility as well as your pride.

Ask us today to arrange a demonstration.
